5.30pm

ALL HELP TO PACK UP BEFORE GOING HOME

Thank you to all helpers, students, parents and teachers to make these grading days run so smoothly. Without your support these gradings would not be possible. A sausage sizzle will be running during the day. You are required to turn up at least a half hour before your grade to view the prior grading.

Note: Peewees grade in class for tips and full belts & children attempting their tip grades only will be graded in class on the second last week of term. Adults over 40+ attempting their full belt grade and tip grades will now grade in the general adult gradings excluding the material not relevant to the over 40s.

All Adults grading in Wildcat Martial Arts for black belt and above grade at Senjo.
